

## CTYB Academic Year 2026-2027 Tuition

Updated March 25, 2026

Central Texas Youth Ballet 2026-2027 Academic Year runs from August 03, 2026 to May 15, 2027. The tuition rates listed reflect the total number of classes attended per week by students averaged over the tuition period. **Tuition payments (installments) are the same each month no matter how many times students meet for class. Holidays are accounted for in the tuition rate.**

Students are enrolled in a class upon payment of the registration fee *plus* first tuition payment.

No refunds or credits are given for classes missed because of illness, injury, vacation or weather. Central Texas Youth Ballet will not prorate tuition for missed lessons.

For families with more than one child enrolled, a (10%) discount is applied to the tuition of the child with the lowest monthly tuition rate. For families with *more than two* children enrolled, a (15%) discount is applied to the tuition of the child with the lowest tuition rate. No combined discounts.

Any payment returned unpaid for any reason will incur a \$15 declined transaction fee. Late payments made after the 5th of the month will incur a \$15 late fee.

Enrollment at the beginning of a school year ensures a student's place for the entire period of education. **For scheduling purposes, to keep class size manageable, and for consistent and appropriate advancement, Primary Division and Pre-Vocational Division students are committed to pay for the entire Academic Year (this is not applicable to the Preschool Division or Community Division). Tuition will be pro-rated by month for students enrolling mid-year.**

Tuition/fees and all payments are non-refundable, and non-transferable regardless of circumstances, either prior to, during, or after the program.

Private classes are also available. Students are not required (or expected) to take private lessons. Central Texas Youth Ballet's Academic Year Program offers comprehensive training in and of itself.

With the exception of the Preschool Division and some Community Division classes, students will be placed in (or promoted to) a class or program based on their progress and ability and not based on age.

If a student wishes to stop taking classes, CTYB must be notified four weeks in advance (in writing) before terminating attendance. Please email [dance@ctyballet.com](mailto:dance@ctyballet.com). Please reference our School Handbook for Parents and Students for additional information.
