

# STUDENT DRESS CODE

All students must furnish their own clothing and shoes for classes. By the end of the first two weeks of class, students should be in dress code for classes (unless told otherwise by the School Director). The dress code also applies to private lessons. Students in Grade 3 and above who fulfill certain requirements over extended periods of time may have some additional flexibility in dress code (see Optional notes). If a student fails to comply with the requirements for these privileges, however, the privileges may be rescinded.

# STUDENT DRESS CODE

## IMPORTANT NOTES

- No support bandages or support braces of any kind can be worn in class.
- All clothing and shoes should be marked with the student's name.
- Only natural-looking make-up and fingernail polish may be worn in class.
- No jewelry (except small earrings), leg warmers or extra clothing of any kind may be worn to class.
- Holes that appear in leotards, tights and skirts should be mended immediately.
- For the safety of the children, eyeglasses are not permitted.

### *A special note for girls:*

- Girls' tights serve as underwear beneath their leotards; be sure to buy dance tights that have a cotton crotch. Underwear inhibits movement and is not allowed under tights. We know this can be a bit of a surprise for younger dancers, but they adjust quickly.

### *A special note for boys and men:*

- Boys and men should always wear dance briefs or a dance belt under their tights. These items serve the same purpose as a jockstrap and protect a male dancer from injury.

## DRESS CODE FOR OUTSIDE OF CLASS

We ask all of our students to dress appropriately when arriving and departing class and during rehearsal periods in the theatre. **Dancewear is not appropriate for the street and students must wear street clothing over their leotards and tights.**

## DANCE SUPPLIES

Our dress code can be purchased at area dance stores including:

Texas Dance Supply  
13834 Sawyer Ranch Rd #100  
Dripping Springs, TX 78620
