

CTYB Academic Year 2026-2027 Tuition

Updated July 19, 2026

Central Texas Youth Ballet 2026-2027 Academic Year runs from August 10, 2026 to June 25, 2027. The tuition rates listed reflect the total number of classes attended per week by students averaged over the tuition period. **Tuition payments (installments) are the same each month no matter how many times students meet for class. Holidays are accounted for in the tuition rate.**

Students are enrolled in a class upon payment of the registration fee *plus* first tuition payment.

No refunds or credits are given for classes missed because of illness, injury, vacation or weather. Central Texas Youth Ballet will not prorate tuition for missed lessons.

Any payment returned unpaid for any reason will incur a \$15 declined transaction fee. Late payments made after the 5th of the month will incur a \$15 late fee.

Enrollment at the beginning of a school year ensures a student’s place for the entire period of education. **For scheduling purposes, to keep class size manageable, and for consistent and appropriate advancement, Primary Division and Pre-Vocational Division students are committed to pay for the entire Academic Year which runs August 2026 through June 2027 (this is not applicable to the Preschool Division or Community Division). Tuition will be pro-rated by month for students enrolling mid-year. Early withdrawals will be assessed a fee equal to the completion of the contracted amount.**

Tuition/fees and all payments are non-refundable, and non-transferable regardless of circumstances, either prior to, during, or after the program.

Private classes are also available. Students are not required (or expected) to take private lessons. Central Texas Youth Ballet’s Academic Year Program offers comprehensive training in and of itself.

With the exception of the Preschool Division and some Community Division classes, students will be placed in (or promoted to) a class or program based on their progress and ability and not based on age.

If a student wishes to stop taking classes, CTYB must be notified four weeks in advance (in writing) before terminating attendance. Please email dance@ctyballet.com. Please reference our School Handbook for Parents and Students for additional information.
